

Certificate of Membership

Health and Institute

Is hereby recognized as a Member in distinguished standing with the International Accrediting Commission for Digital Education (IACDE).

This membership reflects the recipient's dedication to academic integrity, learner achievement, and the advancement of quality in digital education, and provides access to IACDE's professional network, resources, and support services.

This certificate affirms membership status only and does not constitute accreditation or candidacy. Membership is valid for the term indicated below and remains active with adherence to the IACDE Member Code and timely renewal.

Roxanne Kemp, PhD
President & Founder

Date Issued: 2026-04-30

Valid Until: Lifetime Membership
