

Award of Distinction in Digital Education *IACDE-HLTH: Health & Wellness*

Date: April 30, 2026
To: Mr. Usman Ezad, CEO
Organization: Health & Institute
Address: 3919 Tampa Road, Oldsmar, FL 34677, USA
Email: lms@healthandinstitute.com

Dear Mr. Ezad,

On behalf of the **International Accrediting Commission for Digital Education (IACDE)**, we are pleased to formally recognize **Health & Institute** with a program-level distinction under the **IACDE-HLTH — Health & Wellness** category.

This distinction reflects your organization's focus on **digitally delivered, accelerated workforce training** within health-related and administrative support pathways, including the use of **scenario-based learning, regulatory awareness (including HIPAA), and workforce preparation aligned with U.S. professional environments.**

Health & Institute operates a fully virtual model offering role-based training pathways such as Virtual Medical Assistant, Virtual Scribe, Virtual Dental Assistant, Virtual HR & Payroll Assistant, and Medical Billing & Coordination. This structure aligns with IACDE's distinction framework for **applied, workforce-oriented digital education in health and wellness-related fields.**

The **IACDE-HLTH Distinction** is awarded to institutions that demonstrate:

- Alignment with health, wellness, or healthcare-support education
- Digital or hybrid instructional delivery
- Practical, role-based workforce training
- Structured programming supporting professional readiness

As a recipient, Health & Institute is authorized to:

- Display the **IACDE-HLTH Distinction Seal**
- Publicly reference this recognition
- Be considered for **IACDE directory listing and visibility opportunities**

We recognize your contribution to expanding **accessible, digitally delivered health-focused education** and preparing learners for today's evolving workforce.

Sincerely,

Dr. Roxanne Kemp, PhD - President
International Accrediting Commission for Digital Education (IACDE)
